## <Introduction Furano Golf Course>

There are a total of 36 holes, including 18 Palmar Courses and 18 King Courses.

■ Palmer Course: There is a distance, and it has a strategic nature that takes into consideration the tournament. We adopt one way method to play through 18 holes.

■ King course: The distance is short, and it is designed to be fun enough for beginners. In addition, depending on the course conditions, it is possible to play with the riding cart on the fairway.

\*Arnold Palmer: 7 major tournament wins. A total of 62 wins and a 5th consecutive player. His play, which was also masters four times, was called challenging and aggressive golf and was called Ernies Army, and it attracted people and was extremely popular. As for course design, we design golf courses around the world including Asia and Europe as well as America. We design 18 courses and many courses in Japan.
